Dear Sir,

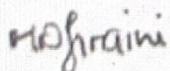

RE: TYPE APPROVAL EXEMPTION

This has reference to an email from World Compliance Agency SL dated 9th November 2022 on the above subject, seeking to establish if the devices with the specifications indicated in the table below are exempt from type approval.

We wish to confirm that the devices are categorized as Short Range Devices and are therefore exempt from type approval in accordance with the provisions outlined in the Guidelines on the use of Radio Frequency Spectrum by Short Range Devices available on our webpage:
<http://www.ca.go.ke/index.php/sector-guidelines>

	Product Description	Manufacturer	Model Number	Operating Frequencies
1	Wireless Charger	BCS Automotive Interface Solutions (Suzhou) Co., Ltd.	WPC003-5	110.6 kHz

Yours faithfully,

Mwende Njiraini

For: Director General
